OCEANIC IRON ORE CORP ("**Oceanic**" or the "**Company**") (FEO-TSXV) is pleased to announce an increase in subscriptions with respect to the Company's non-brokered private placement financing (the "**Private Placement**"), originally announced on August 29, 2016. The Company has increased its maximum proceeds in aggregate from \$850,000 to an amount up to \$1,000,000. As previously announced the proceeds from the Private Placement will be used towards the Company's ongoing strategic partnering and corporate development initiatives as well as general working capital and project development expenditures.

The Private Placement will now result in the Company issuing up to 5 million units (the "**Units**") at a price of \$0.20 per Unit. The Private Placement is now closed to all existing shareholders of Oceanic who wished to subscribe under the prospectus exemption as set out in BC Instrument 45-534, or other similar instruments in place in other jurisdictions of Canada.

The Private Placement remains subject to certain conditions including, but not limited to, receipt of all required regulatory approvals. The securities issued by the Company in connection with the Private Placement are subject to a 4-month "hold period" as prescribed by the TSX Venture Exchange and applicable securities laws.
